★ HOW TO USE THE POPPIN' PIANO:

Kids will learn all about their colors and the characters of the 100 Acre Wood with the Poppin' Piano. Each time a key is pressed, Pooh or one of his loveable friends will POP up. For instance, when the yellow key is pressed, Rabbit will POP up. The unit features three different modes of play: Colors, Piano Sounds, and Melodies.

THREE MODES OF PLAY:

Turn ON the unit by sliding the button to one of the three different modes:

COLOR -- Each time a key is pressed the specific character will POP UP telling the child the color of the key. The unit teaches 8 different colors.

PIANO -- The unit plays 8 different piano sounds (Do, Re, Me, Fa, So, La, Ti, Do). Kids can learn how to play 8 melodies by following along with the color coded songbook included. (see pages 4-16)

MELODIES-- Kids will love to sing along with the 8 recorded melodies. Press a key once and the melody will play. Each key plays its own melody. The melodies are listed above each key on the unit (Pooh Theme Song, Happy Birthday, Row Row Row Your Boat, Polly Wolly Doodle, Old Mac Donald, Twinkle Twinkle Little Star, Rock-A-Bye Baby)

The Poppin' Piano features an attached carrot microphone so kids can sing along with Pooh and all the characters of the 100 Acre Wood. There is a holder on the side of the unit to store the microphone.

The Poppin' Piano does not feature a volume dial. The sound level of the toy is pre-set.
